

To whom it may concern,

I have had the pleasure of having Justin Letourneau as an intern for our organization during April 2012. At one of our busiest times, Justin was of great assistance to us on numerous levels. His background knowledge in the history of the War of 1812 was beyond helpful and he contributed to the writing for our "Passport Niagara" project with Niagara school boards.

Justin is well versed in social media platforms and supplies great conversation pieces accordingly. He helped gain more followers and provided great content that sparked interest amongst the public. Justin also started a blog for us and wrote creative and engaging content. He takes initiative, is friendly to work with, dependable and organized.

His attention to detail and writing skills are exceptional. I am confident that he will succeed in the communications field with ease.

Please do not hesitate to contact me further.

Kind regards,
